EDUCATION

WEB DESIGN & INTERACTIVE MEDIA,
Humber College (2017 – 2020)

INVESTIGATION – PUBLIC & PRIVATE,
Sheridan College (2013 – 2015)

PROFESSIONAL SUMMARY

Front-end developer with strong communication, problem-solving skills, as well as a passion for technology and dedicated to continuous learning.

DEVELOPER EXPERIENCE & CONTINUOUS LEARNING

CONTINUOUS-LEARNING

- Built Portfolio Front-end website with React, Tailwind CSS and hosted on Netlify.
- Built several personal Front-end and Back-end projects (the code is available on GitHub and recent project demos are available on the Portfolio website).
- Updated knowledge of Front-end and Back-end technologies from several online learning sources such as LinkedIn Learning: *Build a Faster, More Structured Express API with Node.js and TypeScript* and Udemy: *React Front To Back.*

VACATION RENTAL WEBSITE (2023 - 2 months part-time)

- Designed website and created a prototype for the client using Figma.
- Built the website using Next.js, Tailwind CSS and hosted it on Netlify.

SALON WEBSITE (2021 - 3 months part-time)

- Designed website, logo, color scheme for graphics and images for marketing.
- Created website with WordPress, hosted on GoDaddy and updated online presence on Google/Google maps.

OTHER WORK EXPERIENCE

ASSET PROTECTION SPECIALIST, HOME DEPOT (November 2016 – August 2022)

- Investigated external and internal theft, fraud and inventory issues for nine different store locations within the district.
- Apprehended shoplifters, prepared case reports, preserved evidence, coordinated with law enforcement and testified in criminal court for the prosecution.
- Communicated any organized retail crime activities to the internal team at corporate and collected all evidence.
- Followed company policies, maintained a high level of professionalism,
- Responsible for training new Asset Protection Specialists and all store staff, identified, observed and apprehended shoplifters daily.

SALES ASSOCIATE, HOME DEPOT (April 2014 – November 2016)

- Provided excellent customer service, received an award for maintaining a high level of customer satisfaction and consistently received positive reviews from customers.
- Learned each product's use and basic plumbing concepts from coworker Joe who had 30 years of experience as a plumber.

BANQUET SERVER, CLUBLINK (2015-2016)

- Served at the banquet hall at Glencairn Golf Club during member events and weddings.

WAREHOUSE ASSOCIATE, MODATEK (2012-2012)

- Worked overtime on Saturdays, rotated between different machines. Followed safety guidelines, kept machines clear as to not impact the line/production.

CONCESSION TEAM MEMBER, TOWN OF MILTON (2007 – 2009)

- Completed opening and closing operations at three different locations.
- Learned POS system, handled money and balanced register at closing.
